AWPA PUBLICATIONS

Book of Standards, 2010 Printed and CD-ROM versions

This annually-updated, paper-bound, 8-1/2" by 11" publication contains all of AWPA's Standards for Preservatives, Commodities, Analysis Methods, and Evaluation Methods along with Standard Conversion Factors and Correction Tables, Metric Equivalents Table and an Index. Also included are AWPA's Technical Committee Regulations. The 2010 edition includes the Use Category System for treated wood specification. (A limited number of previous editions are available. Please contact AWPA for availability before ordering.)

Individual AWPA Standards

Individual Standards may be purchased and downloaded directly from TechStreet, our online Standards partner. To access their website, you may go to the AWPA Store at www.awpa.com/shop, then click the link which reads "Buy Individual Standards in Print or Downloadable Format". You may then search for recent AWPA Standards by entering a standard designation, such as "U1" or "M4" (without quotes) in the search box.

Annual Proceedings (Current Edition: Volume 105, 2009)

An annual publication (2009 contains 528 pages) of papers and reports presented at AWPA's Annual Meeting along with a list of AWPA committee members, committee regulations, full membership directory and other reference items. Published in November of the meeting year. (A limited number of previous editions are available. Copies of articles from our archives are also available for a copying charge. Please contact AWPA for availability before ordering.)

Wood Preserving Statistics, 1997

Wood Preserving Statistics, 1997, by James T. Micklewright. Statistical information on wood preservation in the U.S. Tables on Production of Treated Wood by Product, by Region and by Species, Consumption of Treating Chemicals, Treating Plant Characteristics and Employment, and Trends in Treatment of Wood Products. 24 pages.

Treating Plant List, 1997

Wood Preserving Plants in the United States, 1997, prepared by James T. Micklewright. Approximately 445 plants operating in the United States in 1997. Company name, plant location, class of preservatives used, number and size of treating cylinders, but no information on commodities or services provided. 40 pages.

AWPA Proceedings Cumulative Table of Contents: 1905 to 2009

Tables of Contents from Proceedings volumes 1-105. Delivered as a searchable PDF by email.

Standard M6-75 – Brands Used on Forest Products

The 1975 edition of this Standard was the last to include facsimiles of brands used on treated wood products. Published as an historical reference. It does not purport to include all brands in use in 1975 or which may be in use today but it does include some brands no longer in use and references to treating companies which are no longer in existence.

Treated Wood Handling, Use, and Recycling Issues Workshop

Seven papers presented at a May 15, 1998 specialty conference for the suppliers, users and regulators of treated wood products.

Assessment and Remediation of Soil and Ground Water Contamination at Wood Treating Sites

Six papers in a seminar presented on May 15, 1999 at Ft. Lauderdale, FL by the AWPA's ITD Committee

Managing the Treated Wood Resource: Recycle and Reuse of Treated Wood

Six papers presented at a seminar on May 19, 2001 in Minneapolis, Minnesota.

Managing the Treated Wood Resource II

Nine papers presented at a seminar on May 1, 2003 in Boston, Massachusetts.

*Please note: All prices quoted on the order form are in US Dollars, and payments must be made in US funds drawn on a US bank. All items must be prepaid, and receipts are issued upon request only. Credit cards or personal and commercial checks are acceptable forms of payment. Expedited shipping is available for an additional fee. **Non-USA Shipments: Recipient is responsible for any customs duties.** Please call 205-733-4077 if you have any questions or require additional information.*
